

ILIAS training for ILIAS administrators and ILIAS supporters

The ILIAS administrators and the local support ensure that your ILIAS installation runs smoothly. We train your ILIAS administrators and your local support to make sure that they can do their job competently.

Your benefit

Your ILIAS employees know the individual tools of ILIAS, and they can answer the users' questions competently and efficiently. Furthermore, the persons in charge of your ILIAS are able to configure the learning platform ILIAS independently and in accordance with your requirements.

Our offer

The training is held on your premises. If you wish, the training will be individually tailored to your needs.

Our rates

The training will be individually tailored to the target audience. It includes: <ul style="list-style-type: none">• Overview of the possibilities offered by ILIAS• Introduction to the ILIAS community• The right system of ILIAS• General administration of the system	CHF 1'980
